Dedication

Sincerity and concern

Beyond the call of duty

Characterize you, Brother Ropp.

We are grateful for this

Sincerity which has

Shone through your teaching

Like a light that cannot be hidden.

We appreciate the

Constant concern you have

Had for us while trying to

Lead us to a richer and

More satisfying

Spiritual life.

To express our gratitude

For your sincerity,

Your concern,

We dedicate to you

This Reverie.

MESSAGE TO SENIORS

1940 -- 1945 -- 1954 -- 1958 -- These dates for most of you hold some significance. An innocent, helpless baby -- a child toddling off to his first day in school -- a high school freshman -- graduation. 1960 -- 1965 -- 1980 -- 2000 -- These dates may no doubt reveal for you the degree of success or failure that will be yours. Decisions, decisions. A life well lived is one wherein proper choices are made. Your happiness will depend on how well you appropriate your faith in God to the tasks that will be yours beyond graduation. The key to success is -- "In all thy ways acknowledge him (God), and he shall direct thy paths."

The Local Board,
 The foundation of our school,
 Guides our school
 Through practical decisions

Strengthen fellowship--
 Develop understanding--

These two objectives
 The bi-monthly P.T.A. is
 Endeavoring to meet.

Staff

The pounding typewriter,
The bubble of the chili soup,
The swish of the broom over the sidewalk--
Sounds of the staff at work.

Trays filling steadily,
Paper towels being replaced,
An admit slip being written out--
Scenes of the staff at work.

"If there are any more interruptions I'll--"
"I'm afraid there'll be some sandwiches left over--"
"What a lot of sweeping there is on these rainy days!"
Feelings of a staff at work.

With the first days of school comes
An unusual amount of activity,
Commotion, and confused
Schedules that
Mean work.

Faces

Take on meaning

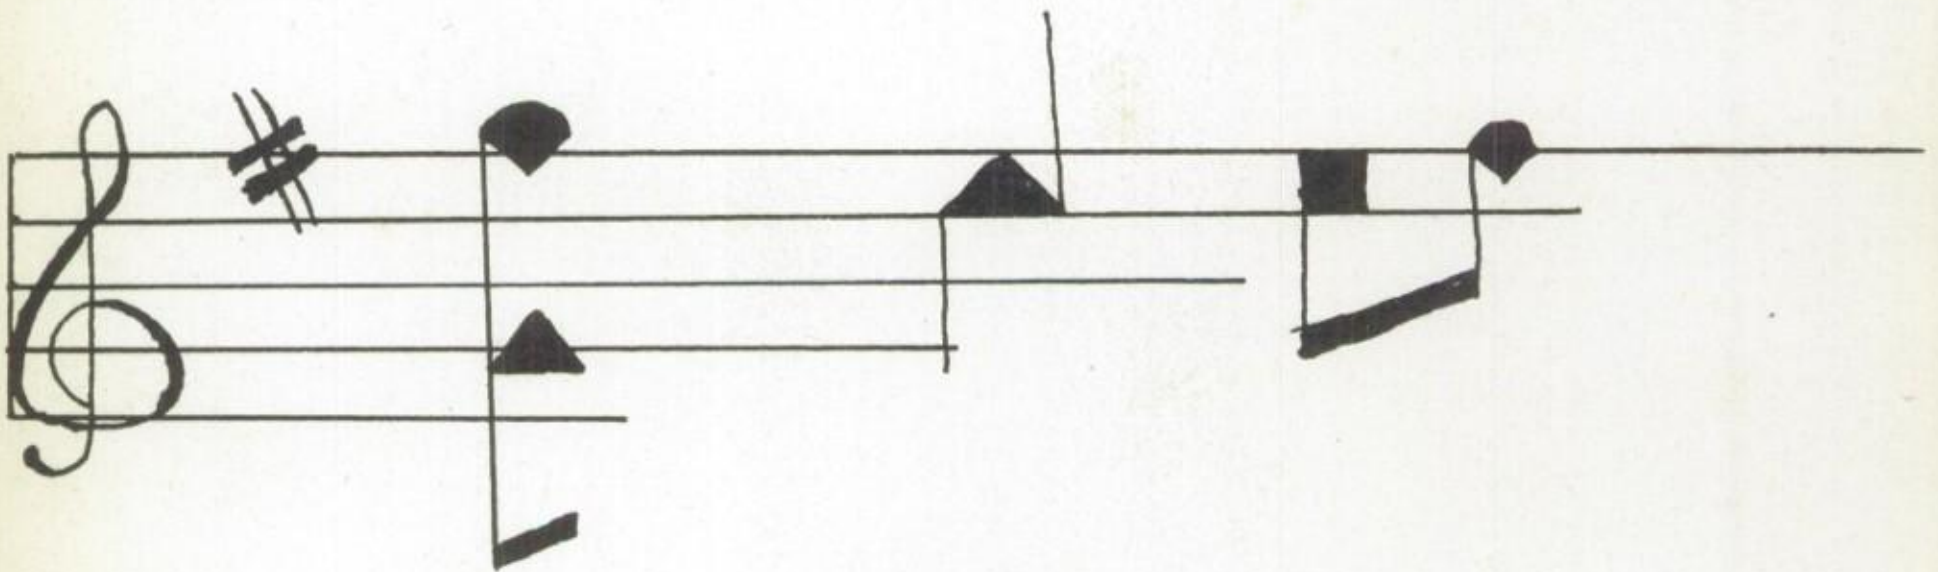

And develop into new friends

On the night of the "Get Acquainted" party.

After the hustle and bewilderment
Of the first few days
It is time
For studying
And questioning,
For thinking
And applying.
Yes, school has begun.

Music with gentle and beautiful harmonies
 That complement inspiring words
 Comes swelling up the
 Stairs from the
 Basement of
 Hillcrest.

Chorus try-outs near completion
 And suspense spirals to a peak
 As students wait for chorus lists to go up.
 Acceptance to Ladies' or Men's
 Means
 Touring chorus as a reward.
